In all respects he is an excellent gentleman, and his sad misfortune aroused the sympathy of the

An Original Snake Story. While over in Fayette county vis ting several days ago, a big "cock and bull story" was told to Mr. R. D. Campbell, of White's Station, by several citizens of the Pine Grove neighborhood concerning a huge snake that has been seen frequently this summer in that section, which has created much excitement and uneasiness among people in general. He gave little credence to the story at first, owing to the fact that it sounded rather unreasonable, but after being told about this monstrous reptile by the best citizens of the Pine irove neighborhood, and learning of the excitement it had created, Mr. Campbell came to the conclusion that the story was actually based on

Mr. Dan Scott, a well known farm er, residing one mile from the little town of Pine Grove, says that he had lost several of his hogs and sheep this summer without forming any nominating Capt. J. Speed Smith for idea as to how they had made their representative from this county to the disappearance, until just recently he went out to his hog pen early one W. W. Combs will make matters morning and was greatly surprised lively for Mr. Smith, and the people of to see a snake leaving which he says Maupin is president, has earned \$491 Madison will say to him in November he will swear on oath that it would since it was built in 1890, as shown by that he had better have looked after his measure twenty-five feet in length. post office fences instead of allowing Rather unreasonable, but wait until Combs and Powell both to get away the story is finished. Mr. Scott says that two or three of his shoats were missing on the morning that this huge reptile paid his hog pen a visit ceipt of 21 one-cent stamps to cover pos and that he followed it some distance in the direction of a large cave, about ry Medical Association, Buffalo, N. Y. one mile off located on the farm of Mrs. Jane Gay. Around this cave is which it is almost impossible for a dog to pass through, and no one has Select Primary School at her home on ever had the courage to go near that | Seventh st. the first Monday in Septem cave or even in the thicket surrounding since the snake was first seen in all drunk, brandished weapons and that locality. Mr. Jake Gay, of Winchester, who is widely known as the champion gun-shot of Kentucky, was out one day hunting, not long

ago, and ran upon this snake crosssays the Winchester Sun: Mr. Johnson shot gun, but with no effect, and it -The Republicans met here Monday has lived to the good old age of 101 kept moving in the direction of the If our readers doubt the authen-Prewitt, of Pine Grove, Clark county. When You Take Your Vacation he most necessary article to have with ou (after your pocket book) is a bottle of Foley's Colic Cure. It is an absolute prevention or cure of all derangements of the bowels caused by a change of

You are likely to need it. aug4-4w Toree hundred natives were killed in a battle in Gazaland.

Seems as if consumption always picks out the brightest and best. Fully onesixth of all the deaths that occur in the world are caused by consumption. Many things were once considered impossible. It would be strange if medical science did not make some progress. The telegragh and telephone, the phonograph, the electric light-all were once impossible, and once it was impossible to cure consumption. That was before the ime of Dr. Pierce's Golden Medical Discovery, Taken according to directions, this standard remedy will cure 98 per cent, of all cases of consumption. Consumption is caused and fostered by impurity in the blood. It is cured by purity and richness in the blood-surely, certainly cured by the "Medical Discovery." It builds up solid healthy

flesh and vigorous strength. Dr. Pierce's Common Sense Medical Adviser, a 1008 page medica! work, profusely illustrated, will be sent free on retage only. Address, World's Dispensa-
